Medical Licensing Information

SAMHSA

Substance Abuse and Mental Health Services Administration): SAMHSA is a division of the U.S. Department of Human Services which deal with substance abuse.

CSAT

(Center for Substance Abuse Treatment) is a sub-group of SAMHSA and CSAT is directly over opiate treatment. Private Clinic is licensed through CSAT to provide opiate treatment for Methadone patients.

Georgia Department of Human Services

Office of Regulatory Services

CARF

CARF accreditation signals a service provider's commitment to continually improving services, encouraging feedback, and serving the community.

AATOD

“AATOD has been the number one advocate, resource, and trainer for the field of medication-assisted treatment for opioid addiction since its inception. Given today’s challenges, that role is more important than ever and AATOD continues to enthusiastically accept those challenges for all of us in the field; patients, medical staff, clinicians, researchers, manufacturers, and regulators.”

Richard Weisskopf ~ Illinois State Opiate Treatment Authority
